

TAX RATE CHANGES

LEWIS COUNTY Local Sales Tax Increase

Effective January 1, 2002, Lewis County will increase the local sales and use tax rate by one-tenth of one-percent (.001). The combined state and local tax for the county will be 7.7% except for the cities of Centralia and Chehalis which will be 7.8% (see table for details). The funds from the tax increase will be used for local juvenile detention programs.

Retail businesses must collect the higher rate of sales tax on charges made for sales and retail services within the county. Businesses or persons located within the county will be subject to the higher rate of use tax on items for which no sales tax has been paid.

This will increase the sales/use tax you should collect to:
